Saturday

October 28, 2017

9am - Noon Rain or Shine

Park and Ride Lot,
Corner of Rt. 108 and Rt. 124
(Across from the Damascus Library)

**A Project of St Paul Knights of Columbus 11105 in
support of Bikes for the World**

Bikes for the World (www.bikesfortheworld.org) works to make quality used bicycles and parts affordable and available in developing countries and to generate skilled employment in bicycle repair and maintenance overseas.

Juan uses his bicycle for work in Honduras. His bike allows him to travel four times faster and carry four times as much than if he walked.

We accept bikes, helmets, accessories, and parts:
